

**PF** FIBROPLASTICHEM  
INDIA PRIVATE LIMITED  
An ISO 9001 – 2008 Certified Organisation

# PREFACE

A leading Indian manufacturer of GRP component like Chemical Tanks, Pipes of different dimension, pressure vessels, Poles, Venturi, Scrubbers of international standards from its state of art facility near City of Kolkata, India since 1972.

Fibroplastichem India provides world class quality support in Engineering, Design, Sourcing & Manufacturing from its 4 nos. of plants with the help of well trained work force.

Industries rely on Fibroplastichem India for a full complement of GRP components along with our full service-engineering group to develop a custom solution for their needs.

Our professional design engineers based on internationally accepted norms, such as AASTHO, BS EN, ASME, IS. We apply same universal specifications for domestic as well as international customers.

Kindly explore this Album / Catalogue to learn more about Fibroplastichem products and services.

Our focus is to provide quality products on time , on specification and ultimately to make your Industry Eco friendly, cost effective to make the Globe better place to live.

**Unit-I at Belgharia :** area 8500 sft. Started manufacturing Chemical Process Equipments by Contact Moulding & Filament Winding in the year 1972

**Unit-II at Agarpara :** area 5000 sft. Started Compression Moulding & Filament Winding operation in the year 1983

**Unit-III at Dankuni :** area 45000 sft. Started RTM, Compression Moulding & Contact Moulding in 1987

**Unit-IV at Dankuni :** area 150000 sft. Started big diameter pipes in the year 2009 by Filament Winding
